Personas, Site Structure, and Flow

Milestone 4 – Personas

1. Persona: Emily the Dog Mom

- **Name:** Emily Roberts
 - **Distinguishing Characteristics:**
 - 32 years old
 - Lives in a suburban neighborhood
 - Works full-time remotely
 - Has a 2-year-old golden retriever named Max
 - Tech-savvy and highly organized
 - **Most Important Features:**
 - Online appointment scheduling for grooming and boarding
 - User login and calendar view of appointments
 - **Least Important Features:**
 - Pet adoption pages (already owns a pet)
 - **Needs to Meet:**
 - Easily schedule grooming/boarding for Max without calling the store
 - Get reminders and view service history
 - **Computer Skill Level:**
 - High – Comfortable navigating online platforms and mobile apps
-

2. Persona: Grandpa Joe

- **Name:** Joe Martinez
- **Distinguishing Characteristics:**
 - 68 years old
 - Retired, lives alone with his terrier, Daisy
 - Limited tech skills; prefers clear navigation
 - Visits the store weekly for supplies
 - Needs larger font sizes and accessibility features
- **Most Important Features:**
 - Store hours, service details, contact info
 - Ability to call directly from the website or request a callback
- **Least Important Features:**
 - Online shopping or user account creation
- **Needs to Meet:**
 - Simple access to store services
 - Assisted scheduling options or contact help
- **Computer Skill Level:**
 - Low – Needs clear buttons and fewer clicks

3. Persona: Jasmine the New Pet Parent

- **Name:** Jasmine Kim
- **Distinguishing Characteristics:**
 - 24 years old
 - Recently adopted a puppy and a kitten
 - Urban apartment dweller
 - Researches everything online
 - Loves browsing pet accessories and training tips
- **Most Important Features:**
 - Pet adoption info
 - Training service details and booking
 - Blog or tips for new pet owners
- **Least Important Features:**
 - Business hours (prefers digital scheduling)
- **Needs to Meet:**
 - Support and services for new pet parents
 - Easy-to-navigate service booking and learning center
- **Computer Skill Level:**
 - Moderate to High – Comfortable with e-commerce and interactive websites

Milestone 5 – Site Structure and Flow

A. Site Flow Diagram (Organization Chart Format)

B. Text-Based Site Outline

1) Home Page

a) Our Services

- i) Grooming
- ii) Training
